**U.S. DEPARTMENT OF VETERANS AFFAIRS AWARDS GLOBAL INTEGRATED
PRODUCT TEAM SUPPORT CONTRACT TO ICOR PARTNERS**

Arlington, Virginia, March 16th, 2009 – ICOR Partners LLC, a leading strategy, transformation, and business improvement consulting firm, announced today that it has been awarded a contract by the U.S. Department of Veterans Affairs (VA), Center for Acquisition Innovation (CAI) to provide Global Integrated Product Team support including advanced Program Management, Technology Planning, Facilitation and Acquisition Strategy services across the VA. ICOR Partners is the Prime Contractor on the winning team which also includes gMg Management, Inc. and MDM Strategies.

Under the multiple-award contract, which has one base period and four option years the ICOR Team will also provide tools for web-based collaboration, decision support, requirements definition and access to ICOR's facilities to further enable the execution of large Integrated Product Teams.

"In this stressed economy where stretching taxpayer dollars is essential, ICOR is excited to continue our long-standing relationship supporting VA's drive towards optimal performance. We look forward to providing VA additional technology, program, and acquisition expertise to address the growing needs of the Department while using our facilitation skills to foster team work and effective stakeholder communications", said Wayne Simmons, ICOR's Chief Executive Officer and Managing Partner.
